

# Be a Part of Life's Great Moments

## A New Home. A New Baby.

Together we serve families who are going through major transitions. Our clients are on the verge of homelessness, have just exited shelter, or simply need extra help to care for their young families. Many come to us with no more than a few belongings and basic household items are often a luxury. Support them by providing kitchenware, linens, infant clothing or cleaning supplies.

### Get the Whole Gang Involved

Organize a giving drive at your school, workplace, church or community group! Challenge groups to a friendly competition of who can gather the most goods.

### Gift Your Gifts

Have a birthday coming up and want for nothing? Consider asking your friends and family to “gift your gifts” to the families we serve.

### Charge a “Fee”

Host a dinner or house party...with a “price tag.” Invite each guest attending to bring an item from the wish list as their entry.

### Let Our Families Know You Care

Want to get involved but aren't able to purchase from the list? Host a gathering with friends to write positive notes of affirmation for our families.

### Make it easy!
